About the Club –

The Blockchain club at VIT-Bhopal is dedicated to exploring and promoting blockchain technology. The Blockchain Club aims to provide students with a comprehensive understanding of blockchain technology through workshops, expert panels, practical projects, hands-on projects, networking opportunities, and career insights. Our mission is to bridge the knowledge gap surrounding blockchain technology among students.

Our Aim –

The Blockchain Club aims to teach, involve, and support students in learning about blockchain technology. We organize workshops, events, and projects to help students understand how blockchain can be used in real-life situations. Our goal is to encourage creativity and new ideas while also helping students connect with others interested in blockchain. We want to inspire students to explore blockchain and prepare them for future job opportunities in this exciting and fast-growing field.

ज्ञान-O-Mania – Blockchain Club

Blockchain Club of VIT Bhopal University hosted a remarkable event on August 28th, 2023, featuring esteemed industry leaders Mr. Jaskaran Singh Manocha, Mr. Mohit Jain, and Mr. Amit Sharma, who shared their insights on Blockchain technology, Web3, decentralization and innovation converge. The event was filled with captivating talks.

The Ultimate Quiz Challenge Round 1:

The event culminated with an exciting quiz, a test of participants' knowledge about blockchain technology. The quiz comprised thought-provoking questions about consensus algorithms, smart contracts, and real-world blockchain implementations.

Round 2:

The top five participants from the initial quiz were selected to participate in the intense Round 2. This round dived even deeper into advanced blockchain concepts, crypto economics, and emerging trends. The participants demonstrated their depth of understanding.

After the two fun, challenging and exploring quiz rounds was the anxiously anticipated result declaration. The winner, Ashish, was presented with a smartwatch, and the first runner-up, Pankaj, was presented with a set of wireless earphones.

Aim:

The event aimed to provide insights into the fundamentals of blockchain, career opportunities in the field, and the significance of blockchain communities.

Guests:

Mr. Jaskaran Singh Manocha, Mr. Mohit Jain, and Mr. Amit Sharma

Special Appearances:

Vice Chancellor Dr. Senthil Kumar Arumugam, Dr. Preetam Suman Sir, Dr. Navneet Kumar Verma, Dr. Anand Motwani (Faculty Coordinator) and Mr. Nikhil Pateraria (Faculty Co-Coordinator)

Ideathon'24 – Blockchain Club

Date: 23 Feb 2024

The Blockchain Club hosted Ideathon'24, a cool event where teams could share their creative ideas from any field. We had two phases, starting with Phase 1 online, and a whopping 125 teams joined in.

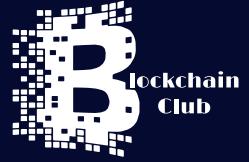

Phase 1 - Sharing Ideas Online

Teams kicked off by sending in their cool ideas online. The best 15 were chosen to move on to the next round.

Phase 2 - Final Showdown

The final round happened from 11 pm to 4 pm. The judging panel comprised esteemed individuals from various fields:

- Dr. R. Sukumar
- Dr. Anand Motwani
- Dr. Nikhil Pateria

They checked out all the ideas and asked questions to find the best ones.

Teams presented one by one, talking about their ideas for 10 minutes and then answering questions for 5 minutes.

Event Highlights

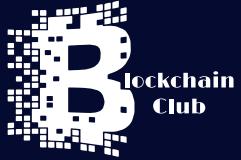

We saw so many different ideas from different areas. The event went on until 2 pm, giving teams enough time to share how they would solve real problems in their chosen areas.

Winners Announcement:

After a meticulous review of the judges' reports, the winners were announced. After our judges looked at everything, they picked the winners based on creativity, practicality, and how much impact the ideas could have.

Winners:

<u>Team Name</u>	<u>Project Title</u>
1. Akshant	VIT Resume Format Website
2. Vision Vault	TMVR
3. Teddy-Bears	Revolutionizing BFSI with AI

- Mode of Event: Offline
- Total number of Registrations: 320
- Event Write-up :

Crypto Carnival

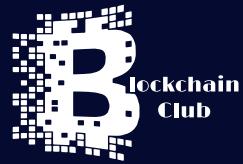

After successfully organising two previous events, the Blockchain Club VIT-B embarked on their next mission: Crypto Carnival. This event was not just an occasion but a comprehensive blend of fun and learning.

Introduction by Anchors and Faculty Coordinators :

The event commenced with a warm welcome from the anchors and faculty coordinators, setting the stage for an engaging and educational experience ahead. They outlined the agenda for the day, emphasizing the importance of cryptography and how it would be used in today's competition.

CryptoQuest:

The highlight of the event was the CryptoQuest, a dynamic encryption and decryption game utilizing the Caesar cipher. Participants were challenged to encrypt or decrypt messages using a provided key within a limited timeframe. Four closely related options were given, adding an element of competition and quick thinking. Points were awarded to those who completed the tasks accurately and swiftly.

The intensity of the competition kept the participants on their toes throughout the session. Ultimately, the individual with the highest number of points emerged victorious, showcasing their proficiency in cryptography.

Speaker Session by Vishwa Mohan, CIO of PW Skills :

Following the CryptoQuest, the audience was treated to an enlightening speaker session by Mr. Vishwa Mohan, the Chief Information Officer of PW Skills. Mr. Mohan shared valuable insights into the world of technology, emphasizing the significance of different programming languages in shaping successful careers. He discussed the practical applications of technology in various industries, highlighting its transformative impact on business processes and strategies.

Mr. Mohan's session was not merely informative but also interactive, as the crowd actively engaged with him, posing insightful questions and seeking advice on navigating the ever-evolving tech landscape. His expertise and passion resonated with the audience, inspiring them to explore new avenues and embrace technological advancements in their career pursuits.

Conclusion:

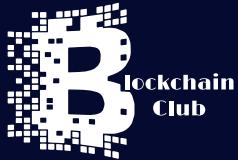

The Cryptography competition and Speaker Session proved to be an enriching experience for all participants, offering a blend of hands-on learning and expert insights. The event succeeded in fostering a deeper understanding of cryptography and its relevance in the contemporary world, while also providing valuable career guidance from industry leaders like Mr. Vishwa Mohan. As the attendees departed, they carried with them newfound knowledge and inspiration to excel in the digital age.

Details of Winners (Along with Name and Registration No.):
